
One-Stop Operator Bidder Conference Questions & Answers

The following is a list a questions and answers from the bidders conference held on Tuesday, March 19, 2024 at 10:00 a.m., via Zoom teleconference.

1. **Does the person need to be physically located in the Comprehensive One-Stop full-time?**

The individual does not have to be physically present every day at the Comprehensive One-Stop, but they do have to show their presence occasionally to check in to see how things are flowing. TCSG will be putting Kiosks inside the DOLs, and everything is going electronically; therefore, we do not need an individual full-time in the DOL. The requirements states that we have to have a presence and not a full time presence in the locations.
